

"Fishing is a passion that can never be fully explained."

Fishing Course

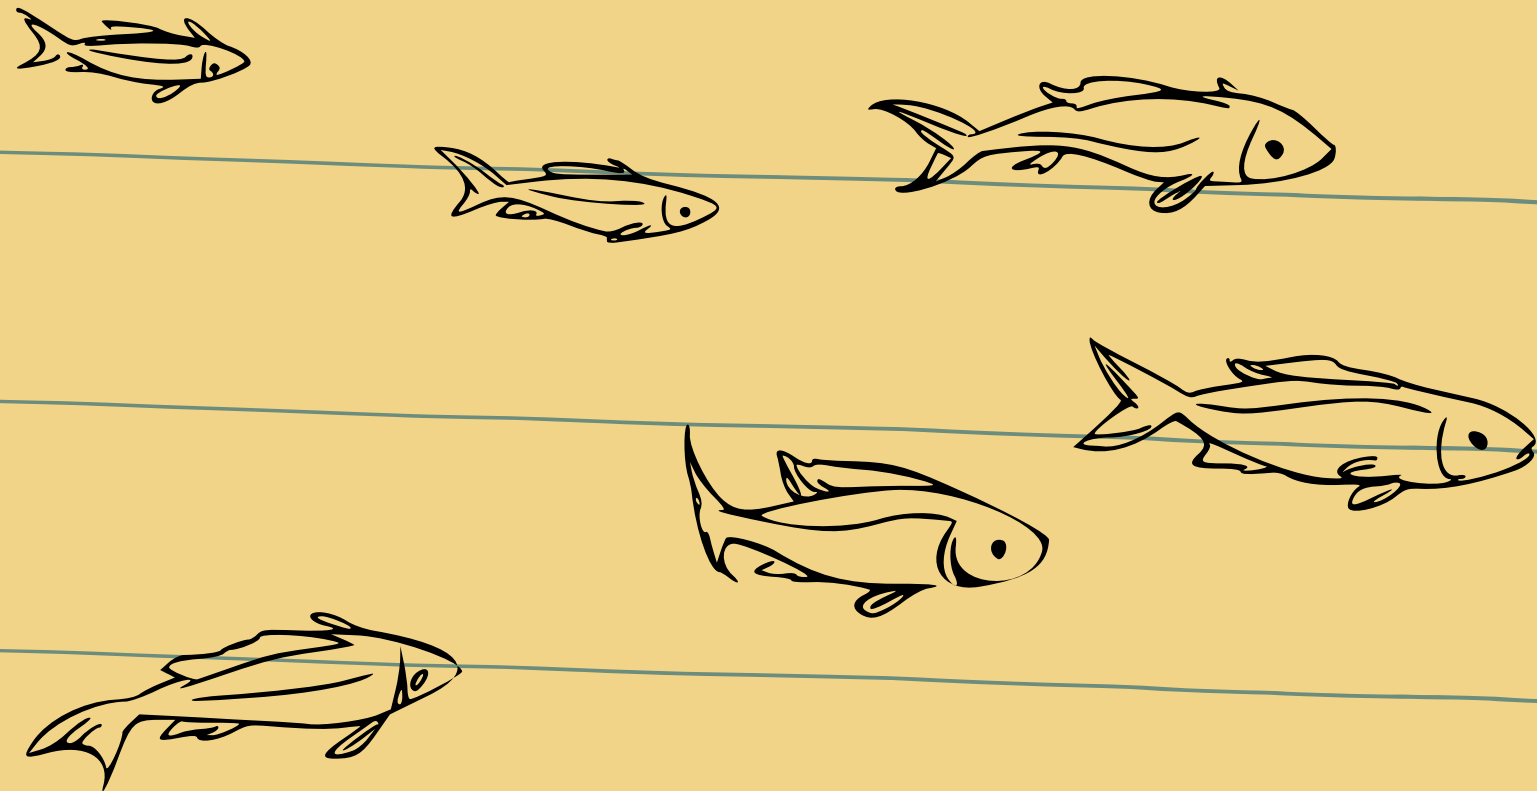

Pétervására Lake Pétervására

Fishing

Hobby

Introduction

We have 1 lesson per week and learn about fish and fishing.

In autumn and spring we can practice fishing on the lake and we have a week summer camp there.

In Pétervására there is a lake called Vezekény-völgyi víztározó.

Success and great time

1

We can catch carp, bream, asp, etc

2

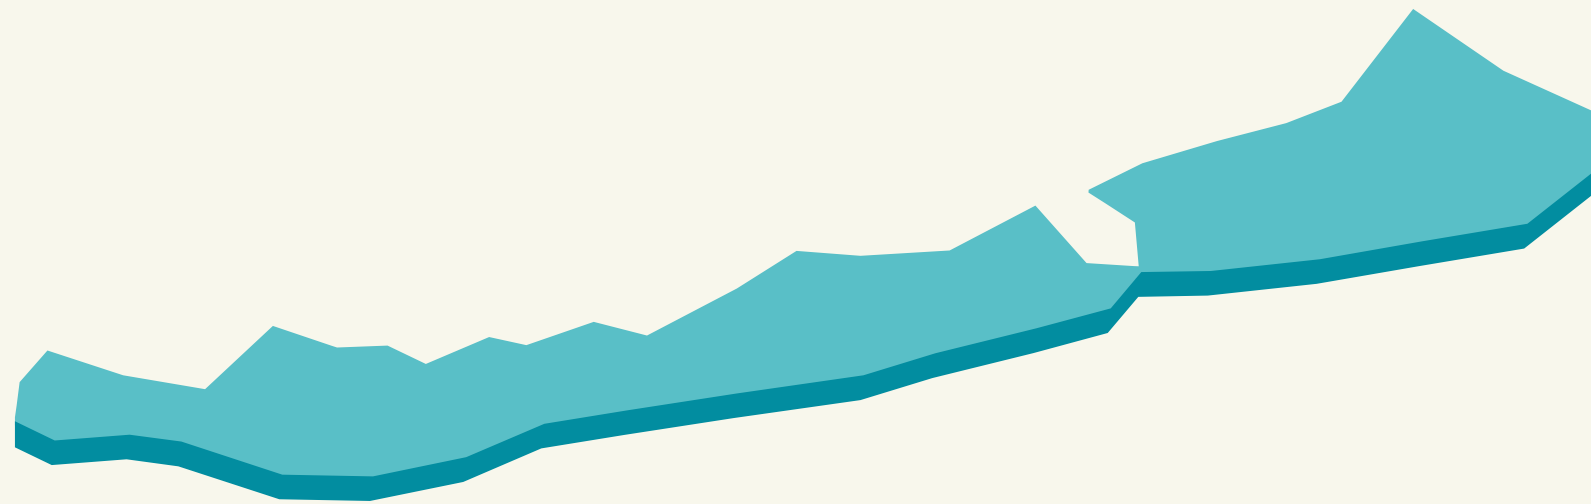

It is a great hobby. We can spend a lot of time in the nature.

Fishing in Hungary

There are 800 thousand fishermen and women in Hungary. They are registered. There are many possibilities to fish on the lakes, rivers or streams.

The biggest lake in Hungary is Lake Balaton and one of the most popular river and lake is Tisza in Summer.
